Dear Sir/Madam,

18th FIMMDA - PDAI Annual Conference

Dates: 13-16th April, 2017

Venue: Hotel-Hilton Sydney, 488 George Street, Sydney, NSW, 2000, Australia

REQUEST FOR DELEGATING OFFICIALS

FIMMDA and PDAI have been playing important roles in knowledge and skill development of market participants of the Fixed income, money markets and Derivatives segments on an ongoing basis. Towards achieving these objectives, FIMMDA-PDAI holds Annual Conference every year to discuss and deliberate topics of importance to the industry. We are now planning to hold the 18th FIMMDA-PDAI Annual conference during April 13-16, 2017 at Sydney.

We have always made the FIMMDA-PDAI annual conferences rich in content, quality and relevant to the industry. The panel discussions are lauded for the content and the relevance to the concurrent issues. The suggestions that emerge out of the conference have always been marked for further discussion/ implementation. Markets continued to show volatility in this year due various domestic and overseas developments. The liquidity has undergone tumultuous changes though the year. We are proposing three panels to deliberate on the present **status of economy, various financial products that are struggling to take off and the regulatory environment in various spheres that are likely to cause concern among the market participants.**

This Conference will provide an opportunity for the market professionals from the Indian Fixed Income and Derivatives markets to discuss and interact with each other, distinguished speakers and panelists. It will help them gain insights into the emerging global regulations, risk management, and opportunities while trading with best practices.

We request that the Conference be attended by the HEADS of TREASURIES of all Institutions, ably supported by their senior executives to make it more meaningful and beneficial for our markets.

We shall be sending Program Agenda for the Conference shortly, which will also be published on our website (www.fimmda.org).

This is a fully residential conference and the venue chosen is also an internationally hot destination. The Hotel accommodation is limited to 200 delegates and will be awarded on first-come-first-served basis. On behalf of the attending delegates, we selected M/S Thomas cook India Ltd as the Event managers for assisting the delegates for logistic purposes.

We have placed on our website, the online registration form. You are requested to fill the online registration form as per the instructions given below.

We request you to **submit the Registration Forms (online) along with payment** details for the delegates from your organization at the earliest, **by 20th February 2016, take advantage of the early bird incentive** and to avoid disappointment regarding non-availability of seats on account of limited hotel accommodation.
