About the Webinar

The Indian Fixed Income and Debt Markets play a vital role in the country's financial system. To help students gain practical exposure to financial markets, Fixed Income Money Market and Derivatives Association of India is organizing a specially curated 2-hour webinar on Fixed Income Securities for college students.

The session aims to bridge the gap between academic concepts and real-world financial market practices through expert-led discussions and practical insights.

The Fixed Income Money Market and Derivatives Association of India (FIMMDA) is a representative body of institutions associated with the fixed income, money, and derivatives markets in India and is registered as a Self-Regulatory Organization (SRO) by the Reserve Bank of India.
