To All FIMMDA Members / Non-Members

Madam / Sir,

FIMMDA TRAININGS

Training Programme –Bond Mathematics & Introduction to Indian Treasury Markets June 23-24, 2026 (Tuesday - Wednesday) (In Person)

FIMMDA is pleased to announce a two-day training programme on “Bond Mathematics & Introduction to Indian Treasury Markets” on **June 23-24, 2026** at FIMMDA’s Office.

About the Program:

The purpose of the program is to give the participants a thorough understanding of the Bond Mathematics including the market practices in various products in the fixed income and money markets. The course is also aimed at introducing the participant to the Indian Treasury Markets.

The program is meant for people who are working in or are about to join the treasury front office, back office and mid office in banks, financial institutions and primary dealers & insurance companies understanding the opportunities and risks involved in the Bond portfolios.

Training Infrastructure:

The training venue of FIMMDA facilitates the learning process with the state-of-the-art infrastructure with modern age amenities like wi-fi, laptops, projector & audio-visual system. We accept a maximum of 20 candidates on a first come first serve basis. FIMMDA imparts training at a subsidized rate with Tea/Coffee Cookies and buffet lunch for the participants.

The brief details of the program are as under:
