---

FIMCIR/2025-26/45

March 11, 2026

To All FIMMDA Members/ Non-Members

Madam / Sir,

### FIMMDA TRAININGS

#### **Training Programme – Fixed Income Derivatives- for members and non-members May 14-15, 2026 (Thursday - Friday) (IN PERSON)**

The program is meant for junior officials working in the Treasury Departments (Front/Back Offices), who are not aware of Derivatives, and the products traded in the Indian markets. The program-objective is to equip the officials with the basic knowledge on derivatives with a view to create sufficient awareness to start handling the products after actual hands-on training in the desk. As we are looking to impart this training at a subsidized rate to junior and middle management officials of the Treasury Departments, institutions may nominate fresh recruits in these departments, if they so desire.

We also request that this program be used to impart knowledge on Derivatives to your institution's **Concurrent Auditors, Internal Auditors and Statutory Auditors** engaged in Treasury Audits, as it would be useful for them to examine the books in a more thorough and knowledgeable manner.

#### **Training Infrastructure:**

The training venue of FIMMDA facilitates the learning process with the state-of-the-art infrastructure with modern age amenities like wi-fi, laptops, projector & audio-visual system. We accept a maximum of 20 candidates on a first come first serve basis. FIMMDA imparts training at a subsidized rate with Tea/Coffee Cookies and buffet lunch for the participants.

The brief details of the program are as under:

---
